October 2021 – EMT COURSE APPLICATION

September 2021

Thank you for your interest in the “October 2021” **Emergency Medical Technician** course. Students will take the National Registry EMT exam upon successful completion. It is our desire that this course meet all your expectations. Hopefully the knowledge and experience you gain from this course will enable you to save the lives of the many people that will call upon you to provide pre-hospital emergency medical care.

This course has been limited to 20 students. Students will be accepted on a first come basis. Confirmation of enrollment is granted **after** receipt of application and payment.

Please complete the enclosed application and return it to RTI no later than October 8, 2021. Register early. ***All monies are due no later than October 13, 2021.*** Course starts on October 19, 2021. (The course may be postponed if enrollment is low)

Most of your questions about the course should be answered in the application package. If for some reason, you need to talk to someone about information not addressed or may not be clear in this packet, please call **Misty at 912-692-8911.**

We are excited to offer this course to you at our facilities in Pooler, GA. The amenities that this course will offer will allow you a truly learning experience.

As Rescue Training returns to full operations, we are following the recommendations of the CDC, Department of Public Health, and the guidance of the Governor’s Office.

ANYONE EXHIBITING SYMPTOMS OF COVID-19, A TEMPERATURE OVER 100°, OR WHO HAS KNOWINGLY BEEN EXPOSED TO SOMEONE WHO IS POSITIVE FOR COVID-19 SHOULD NOT COME TO ANY RESCUE TRAINING FACILITY.

Common symptoms of Covid-19 include sore throat, temperature above 100 degrees F, cough, and shortness of breath, new significant and unexplained fatigue or muscle aches, new loss of taste or smell. Additional symptoms may also include chills, repeated shaking, headache, and sore throat.

As part of our efforts to reduce the risk of spreading any illness, we are taking the following precautions:

- Students, staff, visitors and vendors may have their temperature taken at the front door and denied entry if they have a fever over 100 degrees.
- Students may be required to answer a series of health-related questions and have their temperature taken every day before entering the classroom.
- Anyone who registers a temperature greater than 100.04 degrees must leave campus immediately and will not be able to return until cleared by a medical professional or evidence of a negative COVID-19 test.
- Hand sanitizers are available throughout the Training Center, but we encourage students to bring their own sanitizer so that it is immediately available to them throughout the day.

- Students and staff must practice social distancing (6') whenever in the classroom and facilities, as much as possible.
- We strongly discourage making direct contact with other persons and ask that everyone practice appropriate sneezing and coughing etiquette.
- We are cleaning and disinfecting classrooms daily.
- Classroom doors will remain open to prevent the need to touch doorknobs, and all restrooms and other common areas are cleaned and sanitized multiple times per day depending on traffic and touch points.
- Staff and students are encouraged but not required to wear masks.
- Should current virus situation or guidance require, we may suspend "in-classroom" training and move the didactic portion to the "ZOOM" platform to continue the program, utilizing "at-home" education via the internet.
- The health and safety of our staff, students, and visitors are a top priority for Rescue Training. As the public health crisis remains a fluid and evolving situation, we ask for your patience and understanding should the policies and procedures outlined in this message change with little notice. We will do our best to communicate openly and clearly whenever new information is available, or our procedures change.

Thank you for your understanding during this trying time. Anyone scheduled to attend upcoming training may contact any staff member should you have any questions or need additional information.

Again, thank you for your interest. I look forward to a very constructive, resourceful, and beneficial EMT course. If I may ever be of assistance to you, please call.

Sincerely,

\s_____
